The ultimate treatment that calms your main “nerve center,” our scalp massage incorporates acupressure of the forehead, sinuses, and scalp. Circular motion and light nerve strokes lull your overactive brain to release tension, while also nourishing your hair and scalp with our optional oil selections.

Choose from the following Scalp Oil treatments:

- Energizing – grapefruit, lemon and sweet almond oil
- Conditioning – rosemary, lavender, melaleuca (Tea Tree) in coconut oil
- Headache release – M-Grain and grapefruit essential oils in coconut & sweet almond oil base.
