

REJUVENATE HEAD TO TOE RELIEF

\$150
(60 MIN TREATMENT)

THERAPEUTIC
KNEADS

We've combined all of our signature treatments into one soothing hour. We start with the head and scalp to begin releasing the day's tensions. Moving on to our Healing Hands treatment, we work each small joint and muscle to revive overworked hands with moisturizing goat's milk, then wrapping them with warm towels. End your session with a relaxing Treat for Feet with hot stones and warm towels, giving you a spring in your step and feel completely rejuvenated!
